## Commerce Group Will Push Road 29

A special committee meeting of the Belle Glade Chamber of Commerce, in session Monday night, approved a special telegram to be forwarded to the Chambers of Commerce in Orlando, Kissimmee, Okeechobee, Ft. Lauderdale and Miami, asking support of those bodies in bringing the opening of State Road 29 between Kennassee and Jupiter with highway 20 before members of the Federal State Survey of Florida Roads committee to meet in Tampa, February 7.

The wire, sent Tuesday, stated that the Belle Glade Chamber of Commerce is "vitaly interested" in the opening of the road. If plans for opening of the road are accepted it will mean a greater influx of travelers from the northern part of the state. Travelers now driving through the central part of the state are obliged to follow one of two courses—either through Okeechobee and on down the west coast of Lake Okeechobee, or through the central part of the state. ## AT THE Theatres

SUNDAY AND MONDAY

That rare combination of romantic glamor and he-man appeal so essential to the ideal screen hero are perfectly exemplified in the heroic figure of Ferdinand de Lesseps, played by Tyrone Power in 20th Century-Fox's "Suez," which plays at the Everglades Theatre in Belle Glade Sunday and Monday.

In dramatizing on film the exploits of famous characters of

history, there are few so generously endowed with those qualities that grip the imagination and stir the heart as Ferdinand de Lesseps. Most great lovers of history were notorious for their lack of adventure and daring, and likewise many of the doors of valourous deeds turned out to be duds in the subtle arts of love and romance. Ferdinand de Lesseps, builder of the Suez Canal, on the contrary embodied all those attributes that make for inspired cinematic material. De Lesseps was a bold adventurer, driven by the love of two women—one ever at his side and grateful for anything he would give, one haunting him with the vision of love denied him—facing the raids of Bedouin tribesmen and the terror of the black simoon, to

invest a mighty waterway from the desert sands.

His was a personality and "Suez" a theme to conjure with in the field of entertainment, and into it 20th Century-Fox poured all of its vast resources and Darryl F. Zanuck all of his great production skill.

De Lesseps seems to have been the possessor of that sort of magic that could make the French housewife dig the last sou from her portmanteau to invest in anything de Lesseps advocated. It was the kind of magic that could sway a beautiful woman to enthusiasm for digging a ditch through a hundred miles of sand in a country she'd never seen.

History also reveals that in addition to being an extremely romantic figure de Lesseps was a man of action. He had served his country well and been honored in the diplomatic service before he undertook the work that was to bring him his lasting fame.

It was de Lesseps, who on receiving word two days before the formal opening of his great work that the canal was blocked, ordering the obstacle dynamited, knowing that a charge of dynamite could cause miles and miles of the shifting sand banks of the canal to tumble into the cut. His words were "Go get powder, powder in masses, and then if we cannot blow up the rocks, we will blow ourselves up!"

To fill such a romantic, not to say heroic role, 20th Century-Fox selected Tyrone Power. The two beautiful women who exert such a powerful influence on his life are played by Loretta Young and Annabella.

The supporting cast includes J. Edward Bromberg, Joseph Schildkraut, Henry Stephenson, Sidney

Blackmer, and many others. Allan Dwan directed. "Suez" is one of the great 20th Century-Fox productions in the \$250,000 Movie Quiz contest.

"If I Were King" with Ronald Coleman and Frances Dee will be the Prince theatre attraction Sunday and Monday.

## Sons Of The Legion Install Officers

Installation of officers and members of the sons of the Legion organization of Belle Glade was conducted Tuesday night at the Belle Glade Legion Hall. Members of Legion Post No. 20, and of the Auxiliary attended in addition to a large number of visitors.

Tom Grafton, of Lake Worth, Fifth District Chairman of the Sons of the Legion, conducted the installation. Among the officers elected were: Tom Parker, captain; Harold Webb, Jr., sergeant-at-arms; the two Allen boys of South Bay, chaplain and historian. William C. Allen, of South Bay, in chairman of the Sons of Legion for the Belle Glade American Legion post.

## AIRPORT BUSY

The Belle Glade airport reported increasing activity last week with visitors from Chicago and Cincinnati making landings at the field. Mr. and Mrs. L. R. Ferris, enroute from Chicago to Miami, stopped off briefly at the airport because of bad weather. C. Muhlberger, Cincinnati, stopped off in this vicinity for a short visit. He was flying his own Waco plane.

## Civic Workers To Meet Miami Group

A committee representing the Belle Glade Chamber of Commerce and consisting of Mayor Arthur Wells, Larry Nash, president of the Belle Glade Lions Club, H. J. Brantley, secretary of the Chamber of Commerce and town treasurer James P. Seulen, president of the Chamber of Commerce, and William Pierce, Belle Glade garage owner, will be in Miami Thursday to meet with members of the Chamber of Commerce of that city. Discussion will take place concerning the future strengthening of relations between the city of Miami and Belle Glade.

Among the issues to be discussed will be the sponsoring of a fair celebrating to be held annually in Belle Glade in the Spring, and possible co-operation in opening Road 26 between South Bay and Ft. Lauderdale, providing a direct route from Belle Glade to Miami.

## NEW ROLLER RINK FOR BELLE GLADE

Belle Glade will most likely have a roller skating rink, it was learned Wednesday of this week from Walter Greer, who is chairman of the town commission, and F. C. Collier, a business partner of Mr. Greer. Mr. Greer and Mr. Collier were operators of the former Dreamland Roller Rink, located in the colored section.

Town commissioners agreed to draw up some preliminary plans for the location of the new rink adjacent to property belonging to Bill Pierce immediately north of the Hillsborough Canal bridge on the east side of the Pahokee road. Commissioners also agreed to lower the present occupational license for skating rinks from \$150 to \$25. This lower license will apply only to permanently established rinks.

**FIRST CHECK**  
The first government check for FWA appropriations for the Belle Glade levee was received today by city clerk, C. A. Redden. The check, drawn to the amount of \$251,500, represents 15 per cent of the total grant from the government.

**Grass Fire Cause Of Department Call**  
A grass and brush fire served to further intensify activity of the Belle Glade Volunteer Fire Department Saturday afternoon as a phase of potential danger burned over several acres of ground in the southeastern section of town. The fire endangered the residential section of Belle Glade until Fire Marshal Wilfrid's squad arrived and fought it to a finish. Several small boys were reported to have set the fire not realizing that the recent frost had killed the grass and rendered it extremely dry.
